Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Firehouse and Emergency Operations Center in fiscal year 2024. The entity to receive funding for this project is the City of Clifton located at 900 Clifton Avenue, Clifton, NJ 07013. This project consists of property acquisition and construction of a firehouse with an Emergency Operations Center but awarded funds would be used only for the Emergency Operations Center. The project is an appropriate use of taxpayer funds because it will enhance the Clifton Fire Department's daily operations and firefighting capabilities while improving public health and safety by proactively responding to emergencies. The project has a federal nexus because the funding provided is for purposes authorized by section 614 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5196c), as amended by section 202 of the Implementing Recommendations of the 9/11 Commission Act of 2007 (9/11 Act). I certify that I have no financial interest in this project nor does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Bill Pascrell Jr." in a cursive script.
